Greetings,

Grace and Peace be unto each and everyone of you today. We greet you with “The Joy of Jesus.”

We do hope everyone is surviving during these troubling times and we ask a very special prayer for those affected by this catastrophic virus. We must continue to “Pray and Trust in Our Lord and Savior Jesus Christ”.

Effective April 1, 2020, our 2020 Beauty and Talent Program is still scheduled to be held at this Year’s National Convention, however this may change. We are aware that some State Associations have been postponed, canceled or rescheduled and we also realize that a lot of schools have closed for the year but we must try to do the best we can in obtaining contestants during these challenging times.

The health, safety and well being of our contestants, as well as our members, are of the utmost importance and is being considered as we move forward.

So again we ask you all to do the best you can in getting contestants and to please practice the safety mandates for your areas.

Fraternally,

Grand Commissioner
